Good morning.

Receive the peace of the one who lives and reigns forever. Beloved brother, with joy and pleasure I report on the activities carried out in the month of **October 2021**, thanking all for the support given to me and my family in these difficult times that we are living because of the country situation and the pandemic. All I can do is thank you deeply.

We have continued working day by day despite the risk situation due to the covid-19. We continue to meet as a church every Sunday and to carry the Gospel everywhere.

The Lord has added two souls to his kingdom: Ernesto Carpio and Keila Maria Perdomo. I have been continually informing Brother Gary about the events almost every week. We thank GOD for the good work that you all are doing. We pray for your lives and that the Most High may continue to provide for reach those who are most in need.

If the Lord wills, we will live and continue with the great work of carrying the Gospel and winning souls for the kingdom of our beloved Lord JESUS CHRIST.

Without further ado for now, I am sending you a hug with a holy kiss.

Your brother and servant of Christ,
Rafael Tovar
