Good morning, brother Gary Copeland and the church of Christ meeting on Kelly Spring Road. I greet you with brotherly love. Receive the peace of the one who lives and reigns for forever. Wishing in the Lord that all of you are strengthened in everything.

Here is my report on the activities of the month of **April 2022** continuing with the work of evangelism and preaching of the gospel in the localities of the state of Barinas. I report about the changes of premises that have occurred during the month of April. We were coming and going with the church of Christ that meets in Las Palmas for three weeks, always praying to Father God for a meeting place for the church of Christ that came out of City Varyna. By the mercy of God, we were able to rent a place with a contract for one year so that the church of the Lord can be established locally. Brother Gary knows the details. I am grateful to the Lord and to the brothers who showed us their hospitality.

We are very grateful and full of joy for the blessing that the Lord has granted us the birth of new souls and in turn new congregations. We are praying and asking the Lord for workers for the new congregations that are being formed, among them the Camino Viejo Sector El Cucharó, an hour and a half from the city of Barinas and another in Los Puertos de Altigracia in Maracaibo.

I send you a huge thank you for your support both in prayers and in benevolence for the faithful churches of Barinas. Currently there are three established congregations in the different central areas of the city.: Los Pozones, where our brother Agribelto Estevez (aka, Nino) is the evangelist; another in Raul Leoni, where brother Jose Diaz is; and the new the church of Christ located in La Floresta which is supported by yours truly, your brother Rafael Tovar.

With nother further and asking for prayers for all the churches of Christ in Barinas and in all the world, BLESSINGS. I send brotherly hugs to all the saints who are with you, my beloved brothers.
