September 2023

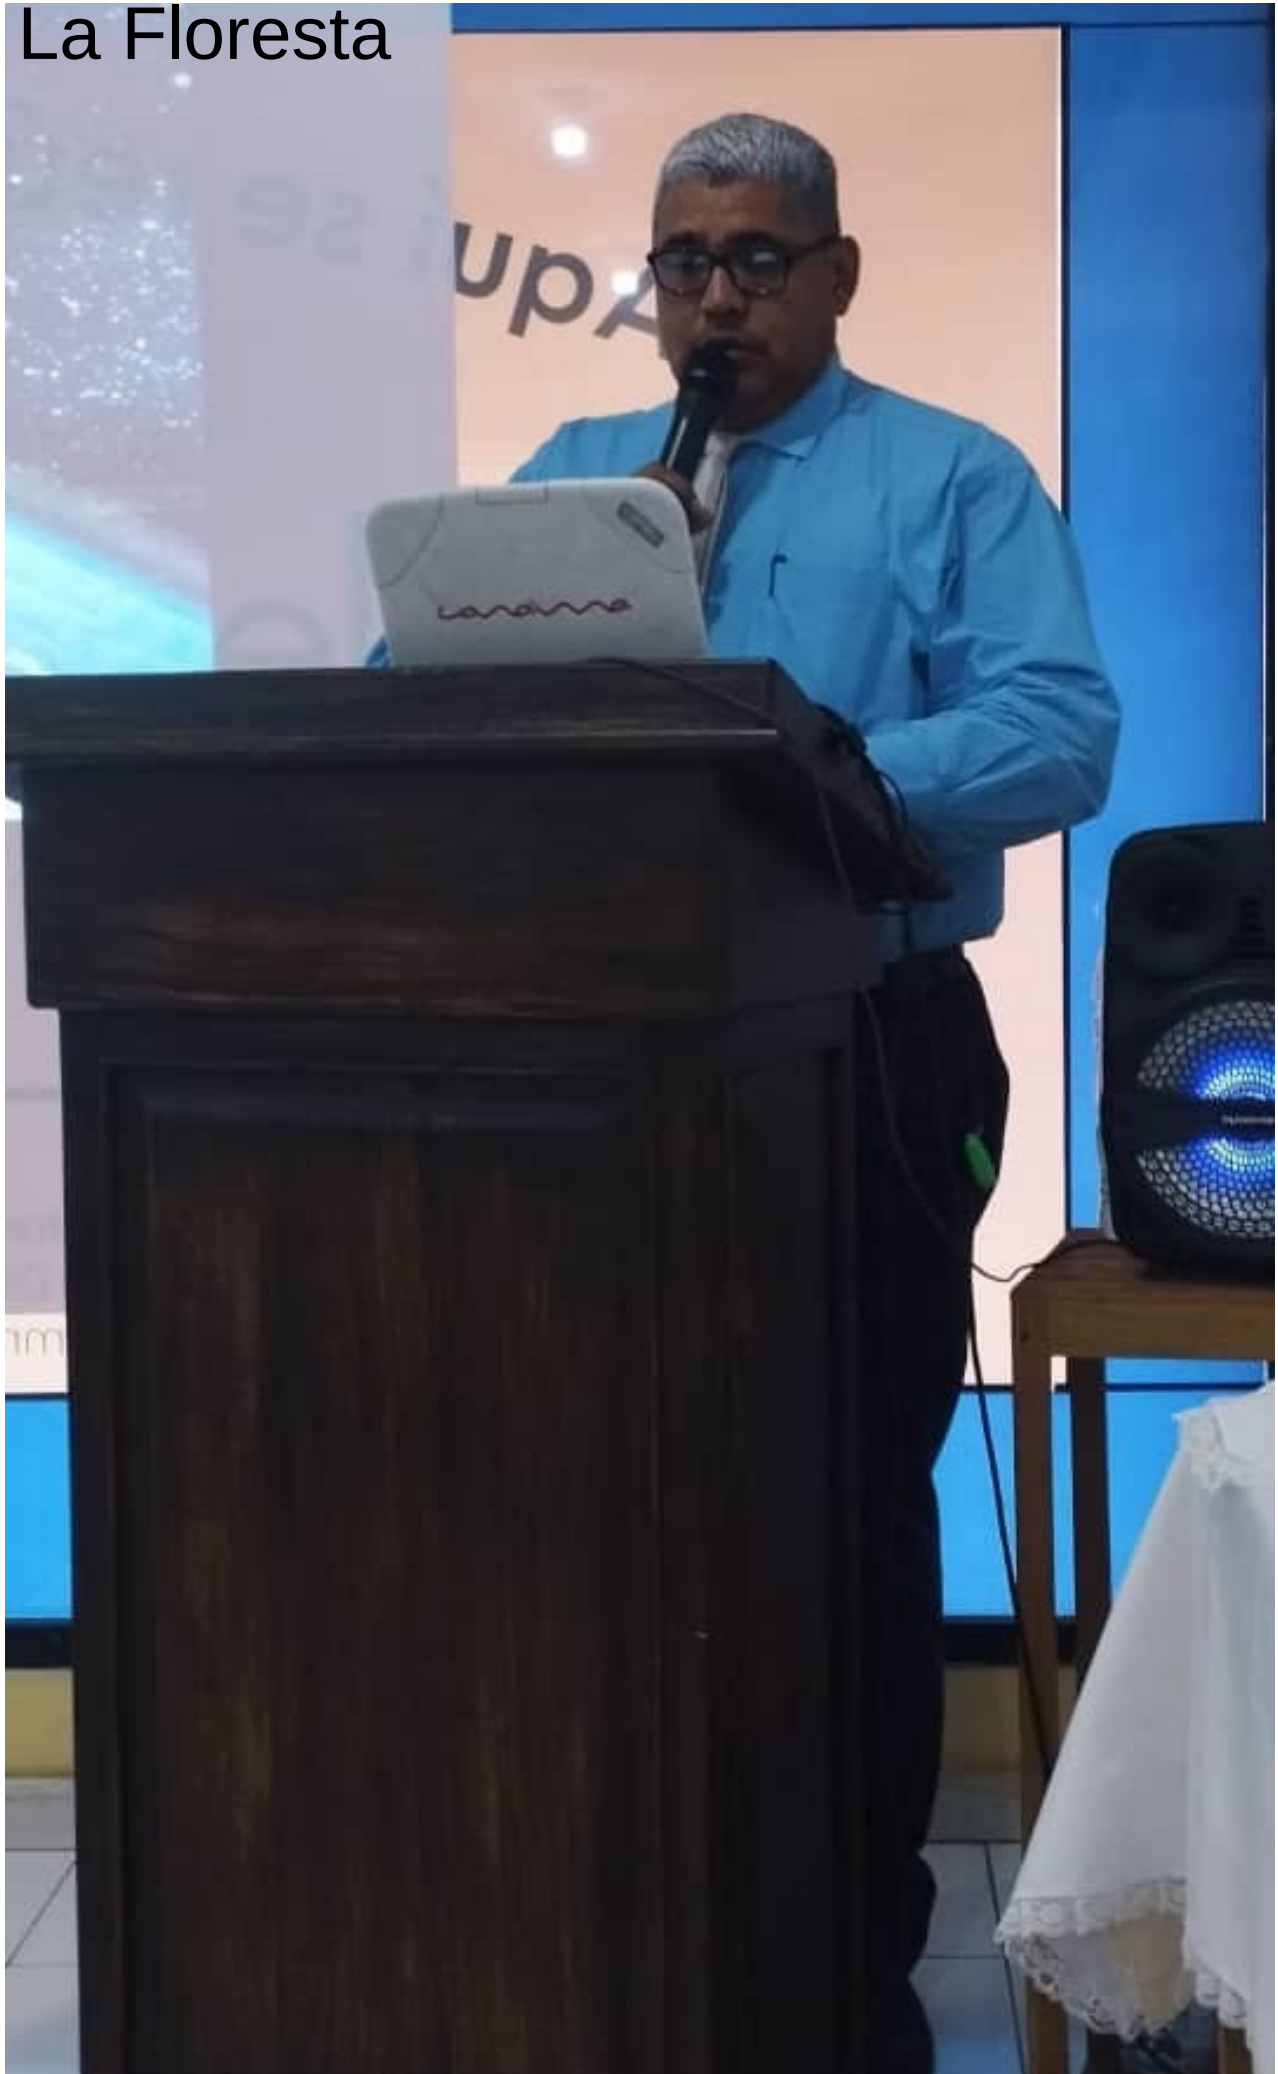

Good evening, dear brothers and sisters all. Receive the peace of our Lord Jesus Christ. Giving thanks to God, Father for the communion between you and us, grateful for your love and support for all the people of God in Barinas, and giving thanks to God for the beautiful communion we have in Christ Jesus, I present some of the activities carried out in the month of September.

We have faithfully fulfilled the divine commandment Sunday after Sunday, and we have preached the gospel in different parts of our city. Thanks to God and brother Gary, we have met a good brother and evangelist, Jorge Carmona, through email and WhatsApp who helped us with a course on preparing evangelists. Thanks to this teaching, the churches of Christ will each have their own evangelist, and will in turn prepare more evangelists to continue the work of forming new congregations with the desire that each church in the future would have elders as our Lord has established through the scriptures. We are studying on Tuesday and Saturday at 5 pm with a number of brothers from Barinas, Venezuela. It was also possible to reach many brothers in different states of Venezuela and other countries. Thanks to these teachings we have managed to clarify more and more the powerful gospel of our Lord Jesus Christ, following the teachings of Ephesians 4:11, Acts 2:18 and 2 Timothy 4:5. We ask for your prayers so that this course reaches every corner of every town, state, country where there is a congregation of Christ so that we all do according to the model that God has given to establish churches of Christ.
