November 2023

Good afternoon, all brothers and sisters. Peace and grace be to you all in the Lord Jesus Christ.

I have the good purpose of reporting on the activities for the month of November 2023, hoping that you like them. We continue working with the lessons by brother Jorge Carmona, "Preparing Workers," and preparing evangelists, thus achieving that 17 churches in Venezuela are receiving such teachings. So far in these months we have achieved a significant outreach that we will continue into January 2024, if the Lord allows us.

Grateful for your time and spiritual and financial support, as with all the saints of Venezuela.

Your brother in Christ, Rafael Tovar.
