**December 2023**

Good evening, all brothers, peace and grace be to all of you in the Lord Jesus Christ.

I am pleased to report on the activities of the month December, continuing with the work of bringing the lessons from brother Jorge Carmona, "Preparing Workers," and "How to Establish an Evangelist", thus achieving a large number of brothers from Venezuela who are receiving such teachings. So far these months we have achieved significant reach that we will continue for the year 2024, if the Lord allows It and gives us life.

Grateful for your time and spiritual support as well as economic for all brothers of Venezuela.

Your brother in Christ, Rafael Tovar.
