Good morning. Thanking God the Father, Son and Holy Spirit for the opportunity to have ended the year 2021, thanking all of you my brothers for the support provided. I hereby notify you of the activities for the month of December 2021. We continue to meet every first day of the week and take the Gospel everywhere according to the possibilities that the Lord allows us. Despite the covid situation, 2021 was a year of growth (fruit) in terms of new brothers and new congregations. We started in Nueva Castilla and went to Ciudad Varyna. Caroni Bajo was born, as well as Los Ilustres, Altamira, Las Esmeraldas and others that are being organized. The Cucharo Camino Viejo Sector is being evangelized, if God allows it; I will notify you soon. In the month of December, I received a visit from my earthly father. We studied, and he received baptism for the forgiveness of sins. I am very grateful to our God and to all of you for the unconditional support you have given me and the Lord's churches here in Barinas. I express my love to all of you. Brother Gary and sister Vicki have been our consolation through all the difficult times we have gone through. Thank God for their lives. We bless them, and, if the Lord permits, we will continue in the work entrusted to us. Peace and grace be to you. Without more, your brother Rafael Tovar.

Needs

I have asked Brother Gary for financial support for the churches of Los Ilustres and Altamira. These are newly born congregations and they do not have financial support or help from other countries, only contributions from me that are very little due to the number of brothers among them of advanced age and low resources due to the problematic country. I continue to work day by day for those most in need.

May God the Father provide for you.

Blessings.....
